COMPARATIVE RECORDS.
The idea that any Republican President is friendly to the South in the matter of appointing negroes to federal offices can find no lodgement in the minds of those who keep up with facts as they are recorded.
President McKinley, over whose friendship for the South every political Miss Nancy down here is ready to shed a few crocodile tears, appointed fifty-eight negroes to office, and some of these appointments were so offensive as to create riot and arson.
President Harrison appointed eight negroes to office.
Roosevelt has so far appointed only five, while President Cleveland, Democrat, so-called, appointed eight negroes.

THE THRIFTY MOSSBACK
One way to get rich is to buy real estate, build a fence around it, list it at the lowest unimproved tax rate, crawl into your den, snarl at every suggestion of public improvement, and wait hopefully and patiently for your progress as neighbors to improve the property and streets around you at their private expense. Their work enhances the value of your property, but does not increase your taxes. After a time you can come out of your narrow, stingy, moss-covered shell and, with a new look and pompous air, say to the new comers, attracted here by the progressive spirit of your neighbors: "I am one of the old settlers here—a pioneer of this town. I welcome you among us. I have some very choice real estate for sale, which I will take pleasure in showing you. Our town as a great future. I predicted it years ago—to my wife."

WANTED.—Several industrious persons to establish a new business with a large capital to sell on commission and agents for successful and profitable line. Permanent engagement. A weekly cash salary of \$18 and all traveling expenses and hotel bills advanced in cash each week. Experience not essential. Mention reference and enclose self-addressed envelope. The NATIONAL, 334 Dearborn St., Chicago, Illinois.

For Those Who Live on Farms.
Dr. Bergin, Para. III, writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c, 50c, and \$1.00 at Dr. J. M. Jones.

Birdlike Reptiles.
The most birdlike reptiles in the world are the beautiful iguanas of tropical America. The smallest members of this family, belonging to the genus anolis, swarm in the bushes and trees of the West Indies and in many parts resemble humming birds. Gosse in "A Naturalist's Sojourn in Jamaica" gives a vivid description of them. On a bright day hundreds of these brilliantly colored creatures may be seen on trees and fences, entertaining visitors by their gambols, leaping from branch to branch, fearlessly entering houses and even alighting on individuals. When irritated, they will suddenly change their brilliant colors for a dull, sooty brown.

Baldness Due to Indigestion.
"There seem to be fewer baldheaded men than there were years ago," said a physician. "Time was when four out of five men more than forty-five years old were baldheaded or fast approaching that stage. Nowadays the average has fallen nearer to two than to three. 'What's the cause?' I suppose there are many reasons, but one certainly is to be found in the general increase of outdoor exercise. Nervous disorders result in the falling out of the hair and impaired digestion brings on nervous disorders. Exercise, as is well known, stimulates digestion, and there above all else is the secret of preserving the hair. Keep your digestion in good condition and your nerves will not trouble you. All the scalp diseases in the catalogue are not responsible for as many baldheads as indigestion."

A Story of Brigrall.
Praise went a long way with Brigrall. One evening at rehearsal in New York the orchestra laid down their instruments as one man and applauded his singing of a favorite song long and vigorously. He was much pleased and, advancing to the footlights with many a bow and smile of satisfaction, said: "Gentlemen, immediately after the rehearsal there will be a champagne supper at the Everett House. I hope I may have the honor to meet you all there."

The Noble Character.
Here is Aristotle's definition of a noble character: He does not recollect injustice; for accurate recollection, especially of injuries, is not characteristic of the magnanimous man, but he rather overlooks them. He is not fond of talking of people, for he will neither speak of himself nor anybody else; for he does not care that he himself should be praised nor that others should be blamed.

Patience Rewarded.
Smith—I hear Short, the coal man, has come into a large fortune.
Jones—Well, he's entitled to it.
Smith—Oh, he is, eh?
Jones—Yes; he's been lying in wait for it a good many years.—Chicago News.

There is a pleasure in doing good which sufficiently pays itself.—Van-brugh.

Mental
Strain Affected General Health.
Doctor's Doses Weakened Stomach.
Dr. Miles' Nervine Cured Me.

Dr. Miles' Restorative Nervine brings rest and sweet sleep to the tired brain worn out with the cares and anxieties of the sick room. Read the following:
"I have always been healthy with the exception of a touch of rheumatism since my age came on, up to the time of my husband's last illness some years ago. I assisted in nursing him for nearly three months when he departed this life and the mental strain I think caused my trouble. Aside from extreme nervousness my trouble commenced with sore throat and neuralgia. My physician gave me purgative doses which weakened me very much and my stomach for a time seemed inactive. Mental strain and the dormant condition of my stomach soon told upon my general health. I had little appetite and was soon forced to stay in bed a greater part of the time. Within a week after the time I began taking Dr. Miles' Restorative Nervine and Tonic I was up about the house. I continued their use until completely cured. My faith in Dr. Miles' Remedies has been strengthened by experience of other people, our daughter having used Restorative Nervine with splendid results in a case of paralysis and a friend to whom I sent a box of the Anti-Pain Pills reports that she has been completely cured of neuralgia by their use. I know of a number of others whom your medicine has helped in a large degree. I wish you continued success."
—Mrs. FRANCES COFFMAN, Dayton, Va.

Cures When Doctors Fail.
Mrs. Frank Chanson, Patterson, La., writes, June 28, 1901: "I had malaria fever in very bad form, was under treatment by doctors, but no improvement. I started taking your medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them. Herbine, five a bottle at Dr. J. M. Jones."

The orator isn't being held up when he is told to "stand and deliver."

Spring Ailments.
There is an aching and tired feeling; the liver, bowels and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite, no ambition for anything, and a feeling that the whole system is only ready for going up. The trouble is that during winter there has been an accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and by its tonic effect, fully restore the wasted tissues and give strength in place of weakness. 50c at Dr. J. M. Jones.

Too Great a Risk.
In almost every neighborhood someone has died from an attack of cholera or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for anyone to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly relieved more pain and suffering and saved the lives of more people than any other medicine in use. For sale by all druggists.

Even the fat shad fisher might be called "a mere shadler."

Greatly Alarmed.
A P. Barbagel, a student at law, in Greenville, S. C., had been troubled for four or five years with a continuous cough, which he says greatly alarmed him, causing him to fear that he was in the first stages of consumption. Mr. Barbagel, having seen Chamberlain's Cough Remedy advertised, concluded to try it. Now read what he says of it: "I soon felt a remarkable change and after using two bottles of the twenty-five-cent size, was permanently cured." Sold by all druggists.

LOOK OUT FOR MALARIA.

An epidemic of Malaria is sure to follow the wet season and the high waters which have prevailed all over the South. Malarial and kindred fevers will develop to an alarming extent. General health conditions will be bad; every precaution should be taken.

The System Must Especially Be Fortified to Resist Malarial Attacks.

A trial of fifty years has demonstrated that for this emergency, Dr. Harter's Iron Tonic has no equal. Iron is the fighting element in the blood, and the kind of iron supplied by Dr. Harter's Iron Tonic is just the kind the system requires to successfully combat malarial conditions. Don't wait until you are attacked. Take it now and fortify yourself; it is an absolute safeguard and, at the same time, it is the best tonic and invigorant for the entire system. On the other hand, quinine disturbs the system and its cumulative poison begets greater physical troubles than those it is employed to remedy.

Where a bad case of chronic Malaria already exists, take DR. HARTER'S FEVER AND AGUE SPECIFIC. It is guaranteed to cure. Price 50 cents. BUT IF YOU WILL

Take DR. HARTER'S IRON TONIC

You Won't Have Malaria. Price \$1.

Houston, Tex., Aug. 1, 1901.
"I have used Dr. Harter's Iron Tonic myself and in my family for over twenty-five years, and can heartily recommend it as being so particularly valuable to ward off malarial and other fevers."

When you want a pleasant physic try Chamberlain's Stomach and Liver Tablets. They are easy to take and pleasant in effect. For sale by all druggists.

No the charming grass widow is not exactly a "symphony in green."

Mr. Joseph Pomerville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief, was advised by his druggist, Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man today. He troubled with indigestion, had taste in the mouth, lack of appetite or constipation, give these tablets a trial, and you are certain to be more than pleased with the result. For sale at 25 cents per box at all druggists.

A Farmer Straightened Out.
"A man living on a farm near here came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Pain Balm, and told him to use it freely and if not satisfied after using it he need not pay a cent for it," says C. P. Rayder, of Patten Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying, 'give me another bottle of Chamberlain's Pain Balm. I want it in the house all the time for it cured me.'" For sale by all druggists.
